Dear Parents,

It has been a pleasure working with the wonderful kids this year. It's amazing to see the amount of progress each of them has made despite the pandemic. These are difficult times and as parents, you dealt with the challenge of working from home as well as supporting your children with their schooling. I would like to say that we will give our best to ensure that the students are able to continue with their studies.

This is to inform you all that the school will close for summer vacation on 14th May 2021 and will reopen on 11th June 2021. To ensure that the children have a purposeful vacation, some worksheets and projects will be given to the child in order to make him/her vigilant and active. These activities are designed to provide an enjoyable learning experience. Wish you and your family a happy time together during the vacation.

With Regards,

Nirmala Gutta

Principal

Scotspine International School
