Dear Parents,

I hope that you and your families are managing to keep safe. In spite of the Pandemic, we managed to have a great year. This wouldn't have been possible without your support over these difficult months. As parents of young children, you dealt with the challenge of working from home as well as supporting your own children with their schooling. I would like to say that all of our teaching staff who have continued to work exceptionally hard will continue the same to ensure that the students are able to continue with their studies.

Now with the summer temperatures soaring high, it is time to take a break and relax at home. ***The summer vacation begins from 14<sup>th</sup> May 2021 and school will reopen on 11<sup>th</sup> of June 2021.***

To ensure that the children have a constructive holiday, some holiday worksheets and projects will be given to keep the child occupied, active and observant. These activities can be done easily and parents could join their wards only to provide an enjoyable learning experience.

Wish you and your family a happy time together during the vacation.

Regards,

*Nirmala Gutta*

Principal

Scotspine International School.
